2022-2023 Campus Improvement Plan

Comprehensive Needs Assessment

Demographics

Demographics Summary

Smithfield Elementary School serves approximately 600 students in grades PK-5th. Of those 600 students, 58% are White, 23% are Hispanic, 8% are African American, 4% are Asian and 7% are of two or more races. SES is a Title I campus which means that 43% of our students are economically disadvantaged. We have 41% of our students which are considered to be "At-Risk". 9% of our students are Limited English Proficient (LEP). 13% of our students receive special education services. 10% of our students are identified and served in the Gifted and Talented program. Our student attendance was 96%.

The English Language Proficiency Status target measure set by the state for the TELPAS progress measure is 36%. In 2020-2021 Smithfield Elementary School did not meet the target with a TELPAS progress rate of 35%. In 2021-2022 Smithfield Elementary School met the target with a TELPAS progress rate of 38%. In comparing the progress rate from 2021 and 2022, Smithfield Elementary School demonstrated a 3% point increase in students' English language development.

Demographics Strengths

Smithfield Elementary has some demographic strengths such as our enrollment has grown by 75 more students which is 14% over just last year. Our mobility rate is at 12% which is below the district and state average. Birdville ISD has a long tradition of creating a family atmosphere for both employees and families served by the district. At Smithfield Elementary we have over 50% of our teachers and staff who either have students who attend BIRDVILLE schools or are a BIRDVILLE graduate themselves.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): We did not meet our goal of 97% on our attendance rate. **Root Cause:** Students are not in attendance and often as needed.

Problem Statement 2 (Prioritized): 41% of our students are considered to be At-Risk. **Root Cause:** We have large learning gaps and students who are coming to us from other places who need a lot of support.

Student Learning

Student Learning Summary

Our 2022 our Overall Accountability Rating from TEA is a 94 and an A in Student Achievement, School Progress and Closing the Gaps. Our STAAR scores reflected that in every testing subject and grade except for 5th grade math, we increased our percentage of students who reached Approaches. We also scored either the highest or the second highest in every test at the district level, except for 5th grade

School Processes & Programs

School Processes & Programs Summary

The academic RtI program at Smithfield Elementary serves students in grades K through 5 in both reading and mathematics. Students are identified for tiered intervention services using data from universal screeners administered three times each year and through consideration of other performance evidence by a collaborative conference committee. Progress monitoring and collaboratives take place once every 9 weeks to reevaluate where students are. The specific services provided for students on Tiers 2 and 3 are outlined in the district RtI Manual, which is updated annually to reflect programmatic changes in screening assessments and interventions.

Performance data suggest that the RtI program has been moderately successful in moving students off of tiered interventions there remains a large proportion of students served on Tiers 2 and 3, (20% in reading and 11% in math for grades K-5 as of May 2022) which is based in part on universal screener performance below the 10th percentile nationally.

School Processes & Programs Strengths

We have developed a process for evaluating student progress every 9 weeks through a collaborative meeting between teachers, administration, instructional coach and interventionists. These occur once every 9 weeks and interventions are discussed during these collaboratives as well. Our math percentage of tier 2 and 3 students has remained the same over the past 2 years.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): RtI screener results for May 2022 indicate that 20% of students are reading below grade level. **Root Cause:** Difficult to close the reading gaps from lost instruction. Becoming more intentional about guided reading practices.

Perceptions

Perceptions Summary

At Smithfield we conduct Parent Surveys on a regular basis at the beginning of the year. However the data that is collected is about expectations that parents have of teachers and their students. We also ask what we can expect from them as parents. We also have a parent survey that asks perception data such as what parents feels are strengths and areas of improvement are at Smithfield. The top 2 areas of improvement are

1. Parking/pick-up and drop off
2. Communication

Perceptions Strengths

One of the consistent responses that parents give is that they feel as though their child is safe at school and that they feel welcomed while they are here.

- Workshop Model
- Sheltered Instruction
- Leveled Literacy Intervention
- Social Skills Training

Increased learning time is provided through pullout intervention programs and targeted tuto

2.6: Address needs of all students, particularly at-risk

tudent enrollment, attendance, and success will be supported through targeted support programs that address the specific needs of our at-risk student population, as well as schoolwide incentive.

3. Annual Evaluation

3.1: Annually evaluate the schoolwide plan

The Campus Needs Assessment (CNA) is completed each spring through a multi-stakeholder collaborative process using multiple sources of data to evaluate the effectiveness of programs and practices.

The CNA addresses:

1. Demographics
2. Perceptions
3. Student Learning
4. Processes and Programs

The findings of the CNA are used to inform the Campus Improvement Plan (CIP). Both the CNA and CIP are presented to the Site Based Committee for review and feedback at the end of the school year.

4. Parent and Family Engagement (PFE)

4.1: Develop and distribute Parent and Family Engagement Policy

The Parent and Family Engagement Plan was developed through the input and involvement of the following:

Parents:

Diana Kirkwood

- March Open House on campus
- March Discover Birdville Event (Saturday 9:00-10:00) at Birdville High School
- April Family Engagement Policy and Compact Revision May on campus
